FOR IMMEDIATE RELEASE

Merrick & Company Announces New LEED AP's

Aurora, CO – August 10, 2009 – Merrick & Company ([Merrick & Company](#)) announced the LEED accreditation of six new technical professionals in the firm. These individuals are Jon Sullivan, design engineer I; Tammy Johnson, project manager; Wayne Lawton P.E., mechanical engineer; Scott Jardine P.E., project engineer; Keith Binkley P.E., senior electrical engineer and Taylor Rohde, design engineer.

Merrick & Company maintains an active Corporate Social Responsibility program serving the environmental, social, and economic aspects of the projects they're involved in and the communities they serve. Merrick is committed to sustainable design and construction practices through its 50+ LEED-accredited professionals and is continually expanding its in-house resources to serve tomorrow's needs. Headquartered in Aurora, Colorado, the employee-owned company maintains eight offices in the U.S. as well as offices in Canada and Mexico.

More information about Merrick can be found at the [Merrick & Company Newsroom](#).
