BIO SOLUTIONS TO **BETTER OUR WORLD**

You're changing the world, one alternative proteins, food, and products project at a time. But taking your biomanufacturing technology from pilot to commercial scale can be complex and navigating the regulations for food-grade production can be confusing. **Our team is here to make it simple. We'll work alongside you from the beginning stages of design through procurement, construction, and commissioning.** Whether you're just getting started or already have an established product line, our team has the expertise to guide you through every stage of your project.

LET'S WORK TOGETHER TO CREATE BIOBASED PRODUCTS THAT **REVOLUTIONIZE OUR WORLD.**

YOUR PROJECT PARTNER FOR THE ENTIRE LIFECYCLE OF YOUR PROJECT

ENABLING BIOBASED PRODUCTS

We offer a full range of multi discipline services to help you create the best products at a competitive price. As part of our full-service approach, we draw from expertise in three traditional markets—**bioprocessing**, **life sciences**, and **food and personal care**—to help you successfully bring your biobased products to market.
