NAVIGATING COMPLEXITIES FOR **DEFENSE CONTRACTORS**

We understand the complex blend of planning, communication, efficiency, and adaptation demanded in the execution of projects in defense manufacturer facilities. We stand at the ready with a focus on highly responsive service and the expertise to navigate complex problems for defense contractors, the US Army, US Navy, US Air Force, and NASA. **We have a proven track record of more than 500 defense sector projects, including:**

MOBILIZING SOLUTIONS FOR **FACILITIES**

We create solutions. To enable this, we make sure we're big enough to handle any size job, and small enough to stay nimble, flexible, and accountable at every stage of every project.

We've deployed solutions in the following facility types:

- Aircraft Maintenance & Storage
- Blast and Paint Facilities
- Testing Chambers
- Control Towers
- Defense Operations Centers
- Dry Docks
- Hangars & Maintenance Hangars
- Indoor Firing Ranges
- Multi-Use Buildings
- Munitions Maintenance & Storage
- SCIFs
- Shops
- Simulator Training Facilities
- Torpedo Maintenance & Storage
- Utility Plants
- Vehicle Maintenance & Storage
