

# SUPPORTING THE ENVIRONMENT OF CARE

[www.merrick.com](http://www.merrick.com) | [hello@merrick.com](mailto:hello@merrick.com)

The Merrick & Company team is your partner for strengthening the environment of care in your healthcare institution. We are industry experts in occupational hygiene; clinical safety; infection control and prevention; biological and chemical safety; ergonomics; hazardous and regulated medical waste; risk management; regulatory compliance; quality assurance; and more. We've worked with hospitals, laboratories, and medical institutions across the US and will work with you to understand the challenges you face each day as you provide high quality healthcare. **We focus on supporting your environment of care using healthcare-oriented solutions so you can focus on your patients.**

## We offer comprehensive services to support your environment of care, including:

Occupational Hygiene

Lab, ICRA, EOC Surveillance

Document Development

Water Management

Hazardous Waste Management

RMW Waste Management

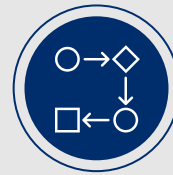

Decontamination Assistance

Think Lift Ergonomics

Spill/Exposure Response Training

Lab Workflow Design

Design & Commissioning
